OVERVIEW

Excellent villa with great sea views on the west coast of Ibiza.

This superb property is a great opportunity for those who are looking for a completely furnished, turn-key ready home. The villa is located between Cala Vadella and Cala Carbo in the south-west of the Island.

It consists of a main house, a guest house, four big terraces, a tropical low-maintenance garden with pool area, several lounge spots and an outdoor shower.

The villa was renovated three years ago with a hyper modern and stylish attention to detail. It consists of three levels, with three exclusive bedrooms in the main house, and sleeping space for four people in the guest house next to the pool.

The many windows and glass sliding doors provide a lot of natural light and combine perfectly the indoor with the outdoor. High-quality blinds ensure a perfect rest until late in the day, if needed, and from every terrace you will be able to enjoy the breathtaking sea views.

In the basement you will find two luxurious en-suite bedrooms, a separate laundry room and a storage room. The living area is on the main floor, with a modern kitchen with all the features you require. The master suite is on the upper floor with its private bathroom and a big terrace with a built-in kitchen that has a fridge and dishwasher.

Furthermore, the property is provided with optical fiber for the best internet connection and also a centralized alarm system.
