OVERVIEW

Beautiful villa with an infinity pool for sale in a perfect spot to enjoy life in Ibiza, ideal to live all year round.

Beautiful finca located on the outskirts of Ibiza, 5 minutes by car and with mountain views.

Outside, we find the spacious garden, with centenary olive trees, heavenly palm trees and an infinity pool surrounded by beautiful Balinese-style chill-out areas. We also find a glazed gym and a sauna, perfect to relax and unwind. The sun accompanies us all day and sets right in front of the house.

The villa is divided into a main country house, restored over the years, plus three independent apartments.

The main house is a wooden masterpiece, with a warm design and personality and with its ceilings that reach up to 4 meters. Your main room is the living room with an American kitchen, perfectly equipped. This creates a great room where you can gather to contemplate the incredible views from its glass wall.

Next, we come to a large hall that leads to a bedroom with a private bathroom, converted into a dressing room, and to an office that is located next to a fully functioning old oven that serves to heat the whole house. Finally, there is the master bedroom with access to the patio and with its private bathroom with shower and bathtub, a real marvel.

In the lower area of the estate we find two independent apartments: one with two bedrooms with two private bathrooms and the other with one bedroom with its private bathroom. Both have a kitchenette and are carefully finished. In addition, each one offers a small terrace that faces the front to sit and enjoy the sunset.

Finally, with an independent entrance, we have the third apartment, with two bedrooms with private bathrooms. This has more land in front of the house and more privacy, perfect for annual rentals.
