€2,700,000 House / Villa - Sold

Incredible Villa in Can Furnet, with views of the sea and Dalt Vila, 5 bedrooms, huge terrace, independet apartment and possibility to add adjacent urban land

5-bedroom villa with incredible gardens and terraces and views for sale on the hillside of this residential area 10 minutes from Ibiza.

We present a unique opportunity: a beautiful villa in one of the most coveted areas of Ibiza, the Can Furnet development.

This villa sits on two independent plots, one of 980 m² where the house of almost 400 m² is located and another of 800 m² classified as urban and which now offers more privacy and space to the property. The price is for both plots

It offers incredible views of the sea and Dalt Vila, from the living room.

The house is distributed on two floors. Upon entering, we find the kitchen, a toilet, the dining area and two living rooms that each have a fireplace and are surrounded by windows that allow the entry of abundant daylight and both have access to huge terraces that surround the home. On this same floor, we find a bedroom with a bathroom and a private terrace. The views from this floor are incredible.

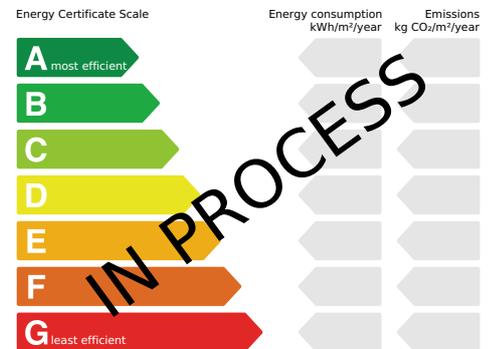

Going down to the lower floor, we find the well-kept garden, with large, leafy trees and towering cacti, the barbecue area and the infinity pool. In addition, it offers four bedrooms, all with access to the garden and its own bathroom, except for one whose bathroom is not private. We also have a walk-in closet. The master bedroom also has its own dressing room and bathroom with jacuzzi.

Below this area, we find a simple apartment distributed as a studio, with a bedroom, dressing room, kitchen and living room which can be rented independently since it has its own entrance.
