## New build country house in Santa Gertrudis, Ibiza

The latest Blakstad project on the island, a 5-bedroom finca on a large natural plot of land.

Designed by Blakstad, this new build home is the ideal family property in a peaceful area of the White Isle.

This colonial-style finca, more commonly seen in ancient town centres, is ideal for those who yearn for the peace and tranquillity the Ibiza countryside can offer, whilst still allowing for easy access to the main towns and the island's spectacular beaches.

On a clear day, Formentera is visible in the distance and at nighttime, from the upstairs master bedroom, the distant lights of Dalt Villa give the property breathtaking depth of view.
