OVERVIEW

Beautiful villa for sale in the heart of Dalt Villa, attached to the castle wall and with unrivalled views of the sea, the port and the city.

Lucas Fox is proud to present this wonderful villa in the heart of Dalt Villa, next to the castle of Ibiza, an area with a lot of history and charm.

This unique home enjoys the best views of the city of Ibiza. During the day, you can admire the boats and yachts that arrive at the port, as well as the horizon of the sea, the city and the beautiful green mountains. At night, the stage becomes a light show, with the lights of the city and the stars that can be admired from the beautiful roof terrace. The same terrace offers 360-degree views, with the Cathedral of the Castle as the closest and most impressive point.

A lift connects the large garage to the main floor and on entering, we see that the entire villa is a work of art where good taste in the selection of decoration is complemented by spacious and bright interiors; a perfect environment to enjoy several living areas and feel at home.

The swimming pool offers a magnificent space to relax and cool off, a must in the summer, and a feature that few homes so close to the castle can offer.
