### OVERVIEW

## Renovated villa with stunning views of the sea and Es Vedra, in Cala Carbo.

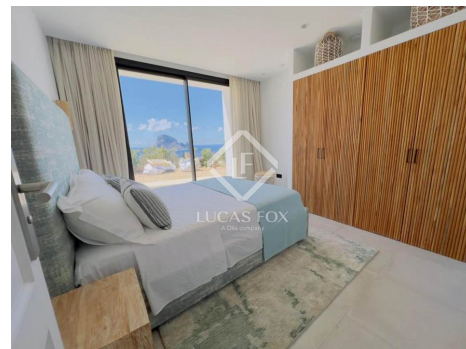

We are pleased to present one of the few gems left in Cala Carbo with open views of the sea, sunsets and the most spectacular and iconic place in Ibiza, the famous Es Vedra rock.

This renovated villa also has a tourist licence, which makes it a profitable investment due to the high demand in summer. The location is quiet and peaceful as the property sits on a good-sized plot with a nice garden.

The villa has been recently transformed with good taste, creating a place with charm and personality. Large windows, an open-plan fully-equipped kitchen and a spacious dining area are just some of the features that make this new home so comfortable and attractive.

The property benefits from a practical layout, with the living area and kitchen on the entrance level and 4 en-suite bedrooms on the lower level. What's more, there is a convenient guest apartment with 2 en-suite bedrooms located in the garden area.

Several terrace areas surround the property for the comfort and the privacy of all guests.
