OVERVIEW

New property with 3-bedroom main house and 2-bedroom guest house for sale close to the beach, in Ibiza.

We are happy to present another rare product on the market: a minimalist and sleek design, combined with the natural elements, make this new villa a very desirable property. It is part of a 3-villa project in Port des Torrent, and it / they could be a good opportunity for an investor as well.

This area has become more interesting each year, therefore a lot of developers are focused on building here, while at the same time new business and world-famous hotels arise each year. This means a quick expansion of the market and a guaranteed constant increase in prices.

The concept of the project combines 2 houses in the same property: the main house has 3 ensuite bedrooms and the guests house has another 2 ensuite bedrooms. It makes it ideal for families with independent teenagers or who simply receive friends and relatives throughout the whole year.
