OVERVIEW

A new development of 3 villas for sale in San José, Ibiza.

We present you this beautiful new development project for 3 properties with guest houses, near the beach in Port des Torrent.

This area has become more interesting each year, therefore a lot of developers are focused on building here, while at the same time new business and world-famous hotels arise each year. This means a quick expansion of the market and a guaranteed constant increase in prices.

The concept of the project combines 2 houses in the same property: the main house has 3 ensuite bedrooms and the guest house has another 2 ensuite bedrooms. It makes it ideal for families with independent teenagers or who simply receive friends and relatives throughout the whole year.

Estimated delivery: Q3 2024.
