### OVERVIEW

## Plot with license to build a multi-family building with a pool for sale in San Antonio.

Lucas Fox presents this 556 m<sup>2</sup> plot with a construction license to build a multi-family building with a swimming pool on urban floor .

The building project consists of six homes: four large apartments of more than 90 m<sup>2</sup> and two penthouses of more than 75 m<sup>2</sup>, each with its own roof terrace. In addition, it will have an underground garage with capacity for six parking spaces and storage rooms, as well as a community pool.

It is important to note that the southern limits of the plot are located in a rustic area, which guarantees that the building will always enjoy clear views and sunlight, without obstacles.

The executive project has already been approved.
