OVERVIEW

Marvellous traditional Blakstad villa situated in a prime location near the picturesque village of San Lorenzo.

We are delighted to present an exquisite Blakstad signature estate, meticulously maintained and ideally situated close to the lovely San Lorenzo village.

The property features a main house and an independent guest house.

Spread across a generous 7,000 m² plot, the estate offers enchanting views of the countryside. A focal point is the expansive pool area with a surrounding terrace, complemented by a well-crafted barbecue space and an outdoor covered dining area. This traditional Ibicenco house is thoughtfully designed by Blakstad across multiple levels.

The entrance presents a rustic covered terrace with enchanting sabina wood ceilings. Access to the main house is through this inviting space, leading to the living and primary dining room, adorned with three traditional arches.

The left wing features 3 bedrooms, 2 spacious bathrooms (one en-suite), and an additional toilet, while the right wing accommodates a fully equipped kitchen, a second dining area, an outdoor terrace, a sitting area and the main bedroom with the main bathroom en-suite.

A secondary external covered dining area adjacent to the barbecue enhances the outdoor entertainment space.

The guest house, measuring 98 m², comprises 3 bedrooms, a bathroom, a comfortable living room, and a well-appointed kitchen.
