OVERVIEW

Palacio Orfeo - a historic luxury palace in Ibiza's Marina, offering elegant design, modern amenities, and stunning views of Dalt Vila.

This majestic historic palace is located in the heart of the iconic Marina of Ibiza, a unique area that combines tradition and modernity. Palacio Orfeo, carefully restored by renowned architect Pascal Djavadi, is an exceptional example of luxury and sophistication. Originally built in the late 19th century, it was commissioned by a high-ranking officer of the Spanish Navy, which gives it a unique historical value.

With a perfect blend of classic elements and modern comfort, the palace offers an unparalleled living experience. From its grand entrance to the panoramic views of the Dalt Vila Cathedral, every corner of this residence tells a story of distinction and timeless elegance.

Designed by architect Joan Gómez Ripoll, creator of iconic buildings such as the Hotel Montesol and Teatro Pereira, Palacio Orfeo is a masterpiece that has undergone various phases, one of which was its acquisition by a prominent local banker. Later, in 2017, it was completely restored to offer the best in luxury and comfort.

The restoration, carried out by Pascal Djavadi, includes the highest quality materials and refined décor, with pieces dating from 1940 to 1960. The terracotta railings have been restored and reinforced with wrought iron, ensuring both their stability and beauty. Every element of the palace has been carefully chosen to create a unique atmosphere.

The design of the palace reflects its grandeur. Upon entering, visitors are welcomed by a majestic wooden door leading to a spacious foyer. On the ground floor, there is a fully equipped laundry room and the first bedroom with a private bathroom, ideal for staff.

The first floor houses a more than 40 m² library and a main bedroom suite with a high-quality marble bathroom, offering ample space and luxury.

On the second floor, accessed via a beautiful staircase or lift, there are large living areas and a fully equipped kitchen that can be discreetly hidden. The top level features the last bedroom, which opens onto a rooftop terrace with exceptional views of the Dalt Vila Cathedral.
