41,000 m² plot of land with a building license for sale in Cala Bassa, San José

Dils Lucas Fox Ibiza presents a 41,000 m² plot of land in San José, specifically in the Cala Bassa area. It has an approved building permit for a property with a swimming pool of approximately 300 m². The project envisions a house with four en-suite bedrooms, each with a private terrace, and a large open-plan living room that includes a show kitchen and a concealed preparation pantry . The feeling of spaciousness is achieved thanks to the interior gardens and the exterior pergolas that provide shade in the dining room and relaxation areas .

The basement floor will include a three-car garage, a gym, a cinema room, and a laundry room room. The building permit has already been approved; only the final project plans need to be submitted before construction can begin.
