OVERVIEW

Excellent 4-bedroom villa with a pool and impressive sea views for sale in Jávea, Costa Blanca.

Excellent villa with spectacular views of the sea from the terrace and the pool, as well as from most of the rooms with large windows that allow us to contemplate the bright blue waters of the Mediterranean.

The house was built 20 years ago, but it has been renovated just 4 years ago to obtain a practical layout, as well as bright. The villa is spread over two floors.

The upper floor offers a living-dining room with a wood-burning fireplace and the open-plan, fully furnished and recently renovated kitchen. In addition, it has a wardrobe and a separate laundry room. The floor is completed with the master bedroom with two rooms, with private bathroom with shower and private terrace.

The lower floor offers direct access to the pool and terraces and consists of two guest bedrooms and a bathroom with a shower. All bedrooms enjoy the sea views.

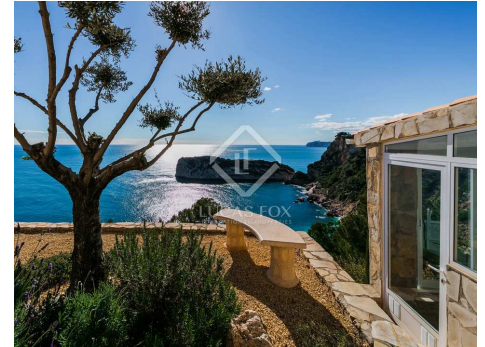

For added comfort for its guests, the villa has a separate guest house with a double bedroom, a bathroom with a corner bathtub, and a private terrace with the same stunning sea views.

Outside, there is a 10 x 4 metre infinity pool, and plenty of space around it, ideal for entertaining and relaxing. It also includes a summer kitchen with a terrace for al fresco dining. The garden includes several ornamental areas and low maintenance terraces.

The summer house has been built on one of the upper terraces; a wellness oasis offering a separate sauna and medical hot tub, all with incredible views.

A perfect home to reside throughout the year, with plenty of winter sun; a beautiful holiday home or an investment with great potential for returns.
