OVERVIEW

Lovely private 2-level property located in the sought after residential development of El Tosalet

This beautiful 2-level, 5-bedroom villa is located in the quiet residential development of El Tosalet and is a mere 3 km from the main beach of Javea.

The property can be accessed from both levels and enjoys 2 separate street entrances. There is also a separate carport.

On entering the property on the main level, one is captivated by the oasis-like pool area with summer kitchen and chill out area, all beautifully lit up in the evening. The lawns, lush greenery and tall trees give the property a very calming feel to it. The house has numerous terraces on various levels.

On the main level is a large, fully equipped modern kitchen, open-plan living dining area and separate guest toilet. There are 2 double bedrooms on this level, including the master suite with an en-suite bathroom.

The upper level is accessed via an internal staircase which leads into another bright dining and living area. A hallway leads to 3 double bedrooms, 2 with en-suite bathrooms and one separate bathroom. One of the double bedrooms on this level also enjoys access to a terrace overlooking the gardens and has a relaxing seating area with pergola.

The bedrooms are fitted with built-in wardrobes and the aluminium windows are double glazed.

There is a stone built *casita* store room in the garden with fitted electrics.

A separate room with gym can also be found on the upper level of this property, which also leads to an outdoor jacuzzi and terrace area.

This property would make an ideal family home.
