OVERVIEW

A new development of apartments for sale in Dénia, Costa Blanca.

The complex is in a marvellous location and almost all the terraces have sea views.

The original façade features organic shapes creating unique terraces. They are all unique and individual, but have one thing in common, unrestricted views over the garden areas.

Open plan designs with spacious living rooms and open kitchens. They all lead directly outside onto terraces with open views over the community gardens, facing the sea.

Kitchens are fully furnished and equipped with oven, induction hob and extractor hood.

The homes are beautifully finished with painstaking attention to detail, making them exclusive, comfortable homes. Apartments have high-quality porcelain tile floors.

Welcoming imitation wood tiles on terraces. Air conditioning and heating. Double-glazed windows protect homes from changing temperatures and improve energy efficiency.

Garages and storage rooms are available to buy separately.
