OVERVIEW

A superb penthouse with huge outdoor spaces and breathtaking views over the countryside and to the sea in the heart of Jesus Pobre

This superb penthouse offers living space on one level, and two large terraces over two levels with breathtaking views from the upper level.

The property comprises: entrance hall, separate kitchen with two accesses: from the hallway and from the spacious, south facing living/dining room which has two large French doors that open up onto the first terrace. There are two double bedrooms, both with built-in wardobes, and the master which has a spacious, en-suite bathroom. There is also a second family bathroom.

The terrace has two levels, the lower level which would benefit from fitted awnings, and could offer a hanging garden space, then the upper level has the best views in Jesus Pobre stretching from the Montgo national park across the Javea coastline and the Mediterranean sea, right around to the emblematic 3 windmills with incredible sunsets.

Practical extras include: parking space in the adjacent garage, pre-installation of hot and cold air conditioning, heated swimming pool and lift in the complex, fibre optic internet.

All set in the heart of the charming village of Jesus Pobre, with local restaurants, hairdressers, small shops, bakery and weekly farmers' market.
