4-bedroom house with separate downstairs apartment for sale in Jávea, Costa Blanca

Beautiful south-facing, 4-bedroom villa, located in the sought after Castellans area, with views across the green valley and the Montgo mountain.

Located in a picturesque location, in a quiet cul-de-sac, this charming 4-bedroom villa, designed by the architect Manuel Jorge, offers a comfortable layout, with lots of natural light cascading in and a very large terrace to enjoy the beautiful views across the valley and towards the Montgo mountain.

An ornate wooden door opens into a large internal courtyard, and a further wooden front door grants access to this lovely home.

The entrance welcomes you straight into the living area, with high ceilings and lots of natural light. There is a wood burning fireplace in the lounge and the property also enjoys gas central heating.

To the left of the entrance is the open-plan kitchen and dining area. A practical utility room is located just off from the kitchen and also benefits from a private outdoor utility area.

Access to the large terrace is granted from both the dining and living areas. A wonderful outdoor space for entertaining or simply to relax and enjoy the open valley views.

This main level has 3 bedrooms and 2 bathrooms. All bedrooms have built-in wardrobes and the master bedroom has a walk-in wardrobe with an en-suite bathroom.

This property benefits from a separate downstairs apartment, accessed via an external staircase. This apartment has 1 double bedroom, 1 bathroom and a lounge/dining and kitchen area. Perfect for guests or rental opportunity.

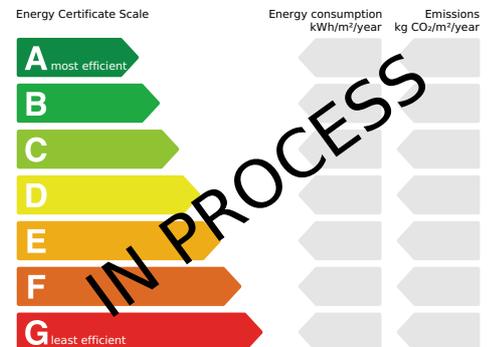

The area around the 14x4 swimming pool is laid to lawn and the mature Mediterranean garden is easy maintenance thanks to the irrigation system. A large well, with pump, has also been installed to collect rain water.

There are many added features that make this property a must-see, from the solid teak wooden floors to the beautiful doors, this property has charm and character.
