€950,000 House / Villa - Sold

A fantastic 4-bedroom house for sale in Jávea, Costa Blanca

4-bedroom and 4-bathroom villa on a 10,399 m² plot in Jávea.

A fantastic 4-bedroom house, built in 1968 and with just one previous owner. A real opportunity to own a finca-style property on a large plot in Jávea not far from the old town. Very private but not too remote and close to amenities. Lovely views all around.

The finca is built on a sunny plot in a quiet area of Jávea. The property has been renovated over the years and is in very good condition. The rustic land is just over 10,000 m² and has a lot to offer. Many terraces around the property and further rustic corners to enjoy the quiet life everywhere. Sea views from the right part of the land. The area around is great for walking.

The plot is walled and has a gated entrance, a carport and further room for parking. The left side of the land has lots of fruit trees (olive trees, lemon and fig trees and lots of almond trees).

Apart from the above 4-bedroom house, parking and fruit tree garden, there is a wooden shed that is currently used for tools, a large rectangular pool of 13.5m by 4.8m heated by solar panels, an outdoor barbecue a covered terrace, open terrace all around the pool, a tennis court and plenty of storage.

The property consist of 2 levels.

Downstairs, we find an entrance hall, dining area, kitchen and kitchenette, living area with open doors to the pool area and the covered terrace, 3 bedrooms as well as 3 bathrooms (part of this can be used as separate accommodation), utility room and a staircase up to the upper level.

Upstairs is the main bedroom, a bathroom and an extra space for an office. The rooms are spacious, and the property has been renovated throughout the years, with double-glazed windows, central heating (gas tank), air conditioning (hot/cold).

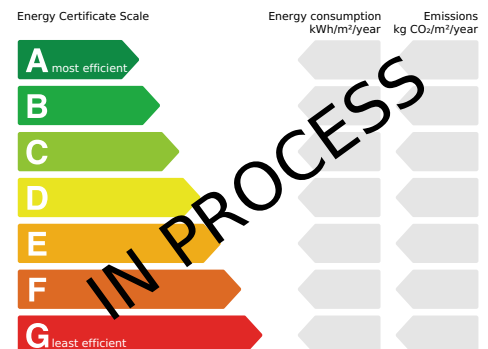

There is a tennis court on the property too. A great all round family home with lots of outdoor spaces. Great for all year permanent living or, of course, to use it as a holiday home.
