OVERVIEW

A stunning, Ibiza-style, brand new renovated villa with 4 bedrooms and breathtaking panoramic views of the Montgó and sea in Jávea.

A gorgeous home, ready to move in to and with the most classic and emblematic view over Javea.

This beautiful villa has recently been totally renovated from top to bottom with stunning interior design and some of the best panoramic views in Javea.

As you enter the property, you are instantly met with an open living space and floor-to-ceiling picture windows which offer the spectacular backdrop of the Montgó mountain, sunsets over the hillside to the west and the Mediterranean Sea to the east.

The living space offers a cosy living area with fireplace, completely open-plan kitchen and a spacious dining area with access also to a sunny south-facing terrace.

The bedrooms are on the lower floor, and comprise two stunning en-suite bedrooms with built-in wardrobes, a family shower room and two further double bedrooms, one with access to the pool terrace and gardens.

The exterior of the property offers plenty of spaces to relax and enjoy the spectacular views, in the sun and in the shade throughout the year. The pool has been redesigned with a spacious terrace for relaxing, and there is a superb pergola almost overhanging the gardens below, which is the perfect vantage point to watch the sunset.

Practical extras to this property include: electric entrance gates, off-road parking, easy to maintain and landscaped gardens, hot and cold air conditioning via split units, double glazing and Italian designer furniture throughout.

This property would make the perfect holiday home, or luxury rental investment - with low maintenance and every detail already in place.
