### OVERVIEW

### New build 4 Bedroom villa with 233m<sup>2</sup> terrace on a southwest facing 1.168m<sup>2</sup> plot for sale in Cumbre del Sol

Villa Veleta, a new iconic villa in Residencial Jazmines. Its design from the 21st century blends in with the exclusive surroundings of Residential Resort Cumbre del Sol perfectly. It is built on a 1.168m<sup>2</sup> plot of land, where, as the villa faces the southwest you can see and enjoy amazing sunsets.

Everything about this villa shouts out quality and style, with an intelligent design that offers a practical distribution of the villa that optimises, even more, its exceptional views of the Mediterranean.

A home with many spaces to enjoy lounging around and family life in front of the sea. There are several rooms all connected with each other to be able to live different moments of the day in different settings. A dining room and living room, a kitchen with a central island where you could enjoy a perfect breakfast, and a large summer porch with a BBQ. All these rooms are laid out so you can enjoy good conversation, celebrate important family events or for you to just relax gazing at the sea

The main bedroom was designed thinking about comfort and relaxation. It is a private area with a large en suite bathroom with bath and shower facing the sea. It also has a large walk-in-closet and access to a private terrace.

Jazmines, a paradise facing the Mediterranean, is located in one of the most exclusive areas of the Cumbre del Sol Residential Resort.

A unique and harmonious architectural ensemble, in which the villas have been designed to enjoy the marvellous enclave in which they are located, where the sea and nature are present at all times.

Large villas with contemporary architecture and south-southwest orientation. An ideal area for those who wish to acquire a unique villa, with an exclusive design, with the highest standards of quality, in a residential area where privacy is a priority, with an infrastructure and landscaping to match the villas it houses.

With an enviable location, next to spectacular coves and beaches, surrounded by nature, with a unique gastronomic and leisure offer, well communicated with two international airports less than 100Km away, and strategically located between Alicante and Valencia, a paradise on the Costa Blanca North.
