OVERVIEW

Immaculate, 5-bedroom townhouse for sale in a sought after development, walking distance to all amenities and the sandy Arenal beach, in Javea.

This superb townhouse, situated in a very sought after development, is accessed via a secure entrance gate leading through the beautifully maintained gardens to the front door of the property. Access is also granted via the private underground parking garage, from where an internal staircase leads straight up into the home. The parking garage offers a large space and also benefits from a storage area.

The main level of the home has an entrance hallway that leads to the fully equipped kitchen, with top of the range appliances by BOSCH and AEG. The open-plan living and dining area enjoys direct access out to the south-facing, covered terrace, offering a further seating and dining space for you to enjoy. There is also a small, easy maintenance garden with tall, mature hedges offering privacy. On this main level, there is a large double bedroom, with built-in wardrobes and a separate bathroom. This bedroom would make a good guest accommodation and also be ideal for anyone who cannot negotiate stairs as you have wheelchair access into the urbanization and direct access into the home.

From the living area, a staircase leads up to the next level, where you will find the main bedroom with an en-suite bathroom. There are a further two double bedrooms and a separate family bathroom. All bedrooms benefit from built in wardrobes, roller blinds and installed hot/cold air conditioning. Two of the bedrooms have direct outdoor terrace access. The whole home enjoys the comfort of underfloor heating for the cooler winter months, and the many windows allow for plenty of natural light to cascade into the home.

The upper level of this house offers a very large space and is currently being used as an office and second living area. This brightly lit room could very easily be converted into a large master suite, already benefitting from pre-installed pipes for a bathroom and plenty of space to have a large walk in wardrobe. With access to private, outdoor terraces on either side of this large upper level, the choice is yours, whether you are seeking the shade in the summer months or looking to enjoy the winter sun.
