### OVERVIEW

## Beautiful Secluded 4 Bedroom Finca in Benissa, only minutes from the Beaches of Calpe and Benissa and close to the Jalon Valley.

Set in a peaceful, secluded valley just minutes from Benissa, Calpe, and the stunning Jalon Valley, this beautifully renovated finca offers the perfect balance of privacy, comfort, and modern Mediterranean style. Nestled on a generous 10,000 sqm plot surrounded by nature, it's an ideal space for anyone looking to unwind, entertain, or host wellness and lifestyle retreats.

The property features four spacious bedrooms and three shower rooms. The finca is designed with a mix of traditional character and contemporary finishes. Upon entering the house we have an open style living and dining area, as well as an open kitchen leading us to the heart of the home is a gorgeous L-shaped naya — a covered terrace that opens out onto the south-east facing pool area. It's the perfect spot for relaxed breakfasts, long lunches, or evening drinks as the sun sets behind the hills. The main bedroom is on the ground floor and has the luxury of an ensuite shower room. Next to the staircase to go upstairs there is a separate guest toilet.

On the second floor we find 3 more double bedrooms with their own wardrobes, a separate toilet, a bathroom and a laundry room. One of the bedrooms has an ensuite shower room, where as another has a private terrace.

The outdoor areas are made for modern, easygoing living. The large terrace includes a private pool and a built-in bar area, creating a laid-back social hub for gatherings with family, friends, or retreat guests, as there also is an outside toilet and shower room.

The finca's position ensures plenty of natural light and open views, while the extensive grounds offer space for yoga decks, garden walks or would make an ideal location for keeping horses.

With its unbeatable location — close to local beaches, charming villages, and the renowned vineyards of the Jalon Valley and the AP7 high way — this property is a rare find. Whether you're looking for a family home, a second residence, or a boutique retreat space, it's a place where natural beauty and modern comfort come together effortlessly.
