New build 3 Bedroom house / villa for sale in Benissa, Costa Blanca

Located in one of the most exclusive and sought-after locations in Benissa Costa, Villa Indra represents a new generation of homes where architecture, design and the environment are naturally integrated.

Inspired by the most authentic essence of the Mediterranean and reinterpreted under a contemporary vision, this exclusive villa combines organic lines, noble materials and a careful selection of finishes to create an elegant, luminous and timeless property .

Far from the cold and repetitive aesthetic of conventional cubic homes, Villa Indra opts for a warm and sculptural architecture, where curved shapes, the texture of natural materials and landscape integration generate a unique personality.

Each room has been designed to maximize natural light and enhance the connection between indoor and outdoor spaces. Extensive glass surfaces offer unobstructed views of the Mediterranean Sea, while terraces, gardens, and pool areas invite you to experience the authentic Mediterranean lifestyle year-round.

Villa Indra is not just a property; it is a residential experience designed for those who value privacy, architecture and quality of life in one of the most privileged enclaves of the Costa Blanca.

One of the most exceptional features of Villa Indra is its open views of the Mediterranean Sea.

The orientation of the property and the design of its spaces allow you to enjoy the sea from the main rooms of the house, integrating the landscape as part of the architecture.

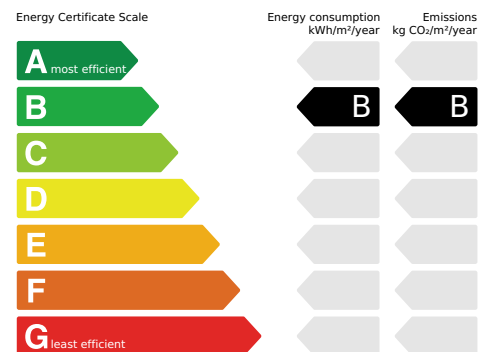

The terraces, the pool and the outdoor spaces have been carefully designed to take full advantage of the views and natural light throughout the year.

Here, the Mediterranean is not simply a setting; it is part of the daily property experience.
