## Luxurious 6-bedroom 4\* boutique hotel for sale in the old town of Llíber, Vall de Pop

### Luxurious 6-bedroom 4-star boutique hotel in the heart of Llíber and the Jalon Valley with stunning valley views.

This exceptional 6-bedroom, 4-star boutique hotel sits in the heart of Llíber's enchanting old town, offering a serene and luxurious lifestyle in a stunning setting.

Carefully preserving the character of its 200-year-old history, the property blends modern comforts with timeless charm to create a truly unique experience. Each room has been thoughtfully designed to provide both contemporary convenience and an unforgettable stay.

Entering through the main street-level entrance, we find an office space to the left and a spacious living area featuring a pellet fireplace, which can be managed remotely via smartphone. The adjoining dining room, spacious enough for a large family-sized table, enjoys views of the fireplace and flows seamlessly into the fully equipped, half-open kitchen, an ideal space for both cooking and entertaining.

Upstairs, three beautifully styled bedrooms each boast an en-suite bathroom. The largest suite also offers a private sitting area with a sofa bed for added comfort.

From the kitchen, we step onto a patio complete with an outdoor kitchen and a secondary entrance from a quiet side street. Stairs from here lead to a generous rooftop terrace, where sweeping views over Llíber and the surrounding valley await.

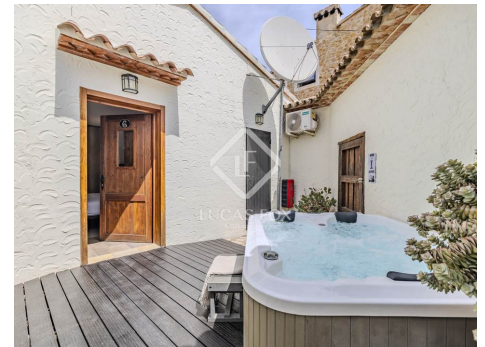

The patio also provides access to two independent guest suites. The first, located on the ground floor, includes a living area, bedroom, and bathroom. The second, accessed via exterior stairs, mirrors this layout.

Another private suite, can also be accessed via the patio, but it also has its own entrance from a small road, features a spacious double bedroom with an en-suite bathroom, a private terrace with jacuzzi, and easy accessibility, making it ideal for guests with mobility needs.

Next to this suite lies the former garage with additional storage and a laundry room.

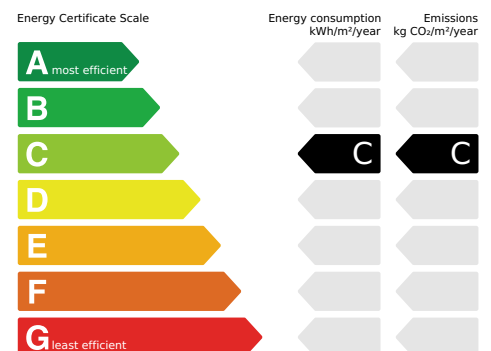

This boutique hotel is a great investment opportunity, generating steady income and enjoying a strong reputation within the hospitality industry.
