3-bedroom country house for sale in Javea, Costa Blanca

South-facing, rustic 3-bedroom country home, with open views, situated in a peaceful area near to all amenities and the towns of Javea and Benitaxell.

Situated in the peaceful countryside of Benitachell, just minutes from the seaside town of Javea, this delightful country home combines rustic charm with potential for further development. Situated on a generous 3,154 m² plot, the property offers 296 m² of living space surrounded by rolling green hills and open views down the valley towards Javea.

A beautiful solid wooden door opens into a welcoming entrance hall, leading directly into a large open-plan living and dining area with impressive high ceilings and exposed wooden beams. A traditional wood-burning fireplace adds warmth and character to this inviting space. The home benefits from two separate, fully equipped kitchens, one on either side of the property, ideal for extended family living or creating independent guest accommodation.

On the main level, we find one bedroom and a bathroom, with the bedroom currently serving as a snug lounge featuring another wood-burning fireplace. This space could easily be transformed into an office or playroom, depending on your needs.

Part of this main level remains under construction, offering exciting potential to create a large master suite, two additional bedrooms, or a spacious living area with direct access to the garden, a blank canvas ready for your personal touch. Upstairs, a staircase leads to two further bedrooms and a large bathroom, all showcasing the home's charming stone walls, beautiful tiled floors and wooden doors.

The home benefits from wood burning fireplaces and installed central heating radiators that only need to be connected. There is air conditioning for the hotter summer months and the property is self-sufficient thanks to the off grid water and electricity supply. For buyers who prefer connection to mains water and electricity, this is easily achievable, providing flexibility for either sustainable, independent living or integration with standard utilities.

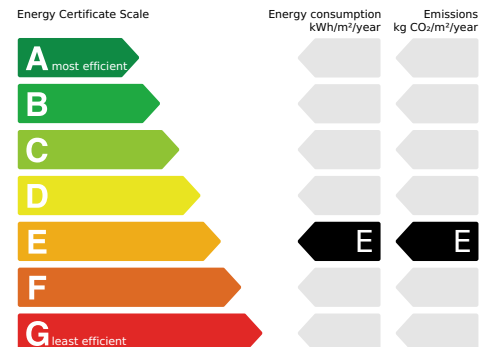

The property sits on a predominantly flat plot surrounded by indigenous plants, shrubs and mature trees, creating a tranquil environment for outdoor living. There is an outdoor covered and uncovered terrace area, perfect for relaxing under the stars or socialising with friends and family. There is ample space for parking and plenty of room to design a landscaped garden and chill out areas if desired.

This authentic home with its rustic charm, endless potential and peaceful surroundings, is ideal for anyone seeking calm but also being closely connected to the towns of Javea and Benitaxell.
