Excellent 3 Bedroom house / villa for sale in Dénia, Costa Blanca

A unique villa overlooking the Mediterranean in Dénia, combining refined design, natural materials, and meticulous attention to detail. An exclusive retreat where luxury is defined by light, tranquility, and the landscape.

There are homes that don't need to be imposing to leave a lasting impression. This exclusive renovated property in Dénia belongs to that category: spaces that, through calm and precision, create a truly exceptional experience.

Originally conceived as a modest 1980s beach house, the renovation has resulted in a flawless transformation where past and present engage in a natural dialogue. The result is a serene and sophisticated architecture, in which every decision reflects a meticulous pursuit of balance, proportion, and material excellence.

The project revolves around a refined Mediterranean style, reinterpreted through a contemporary lens. Whitewashed walls, mineral textures, and handcrafted ceramics coexist with subtle accents in dark tones in the woodwork and furniture, lending depth and a discreet elegance, far removed from any excess.

Light, omnipresent, defines the spaces. The main living room, spacious and luminous, opens to the exterior through large windows, blurring the boundaries between interior and landscape. The Mediterranean thus becomes a permanent backdrop, elevating everyday experience to a privileged level.

Exterior, the terrace and pool have been designed as a true private oasis. Seamlessly integrated into the surroundings, they offer a unique setting from which to contemplate the sea in all its vastness, in an atmosphere of absolute privacy and serenity.

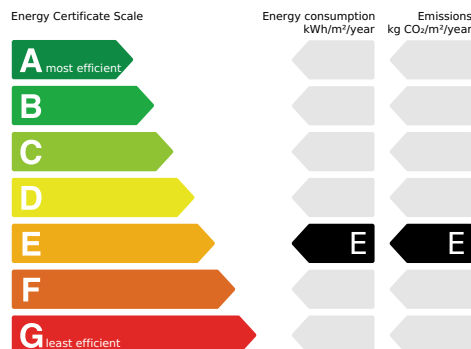

The interiors reflect an aesthetic of understated luxury: clean lines, fine materials, and carefully selected pieces, many of them custom-designed. The bedrooms, conceived as intimate suites, invite relaxation in an environment where every detail has been carefully considered for comfort and well-being.

More than a renovation, this property represents a statement of intent: a way of understanding luxury based on harmony, quality, and emotion. A place where the architecture doesn't need to be showcased, because its true exclusivity lies in how it's lived in.
