OVERVIEW

Exclusive south facing villa overlooking the Mediterranean, offering breathtaking views of the sea and Begur castle. The property has 4 bedrooms, 3 bathrooms, 1,860m² of land and a built size of 400m², swimming pool, beautiful garden, heating and garage.

This Mediterranean-style 4-bedroom Costa Brava villa is located in the hills of the area of Sa Riera overlooking the Costa Brava coastline until the Medes Islands and with views of Begur castle. The nice sandy beaches Sa Riera and Plaja del Racó are only 1 km from the property.

The emblematic village of Begur with its nice small shops and restaurants is only 2 km away, the medieval village of Pals is only 6 km away. The nearest golf course in Playa de Pals can be reached in a 5 minute drive.

The exclusive Costa Brava villa to buy was built in 2000 with high quality materials on two plots and is in perfect condition. The large plot and its location give total privacy to the property and protected sea views.

The villa is spread over two floors and was very tastefully decorated by the current owners. It offers a large living and dining area with large modern kitchen and access to a beautiful porch where you can enjoy the Mediterranean lifestyle.

The swimming pool in front of the porch is south facing and surrounded by a nice landscaped garden.

In the basement is a closed garage with direct access to the house and possibility to park in front.
