OVERVIEW

Lovely apartment for rent in the highly sought-after Eixample area of Barcelona, situated on the 5th floor

This lovely 200m² property for rent is situated in Barcelona's Eixample district. Classical building with concierge, offering 5 bedrooms (three doubles, one of them ensuite), 3 bathrooms, guest toilet, gas heating and a great kitchen with breakfast area. Near Paseo de Gracia.

Eixample, which in Catalan means 'extension', is Barcelona's most centrally located neighbourhood. The area is characterised by its streets designed in a grid pattern, the vision of architect Ildefons Cerdà, who combined the needs for traffic flow with light and ventilation. The needs of the residents were also taken into account so you can find schools, hospitals and markets at almost every few blocks. Art Nouveau and Modernista architecture dominates the area, in particular that of Antoni Gaudí whose works La Sagrada Família, Casa Batlló, and La Pedrera can all be found here. There are also many new buildings as well as offices, markets, restaurants, hotels, cinemas and international designer stores. It is also the central business district of the city where the Stock Exchange and banks' main offices are located. The city's stunning main boulevard Paseo de Gracia divides the district into 'Eixample left' and 'Eixample right' and merges into the district of Gracia.
