5 Bedrooms **5** Bathrooms **338m²** Floorplan **600m²** Plot size

OVERVIEW

Spacious 5-bedroom villa in Levantina close to Sitges. With some modernisation this property has the potential to be a wonderful family home.

We enter this spacious detached villa from the main front door to an open plan split-level living dining area overlooking the garden and pool area. Immediately in front is a generously sized modern and fully equipped kitchen with a separate bathroom.

Ascending the marble staircase we reach the first double bedroom with its en-suite bathroom with a jacuzzi bath and separate toilet. This room also has its very own little patio where you can enjoy reading a book in tranquillity or enjoying the sun and views

Carrying on to the second level we find bedrooms number two and three that share the same doorway entrance and splits in two directions. Off to the left of the doorway we find what is used as the master bedroom suite, this too has its very own balcony/terrace overlooking the pool and gardens. There is a large en-suite bathroom with a bath and shower. Leading on from the master is another bedroom which can be used indeed as this or as an office or large walk in closet depending on the needs of the family.

On the top level of the house, we find the fourth and fifth bedrooms. The large bedroom at the top of the staircase is very bright and airy with plenty of light and lots of space, again there is a jacuzzi style bath and separate toilet en suite. The built-in wardrobes provide plenty of storage space and the skylights give a great sense of height and light. Again this large double bedroom has a wonderful private terrace.

Another bedroom or playroom is also on this floor making the total of five bedrooms ideal as a large family home or indeed to host friends coming to visit during holidays.

There are beautiful views from the back of the garden towards the mountains, as well as lovely views towards the mountains from the front of the house.

There is a large terrace and swimming pool area with access to a changing area and toilet. A garage space accommodates two cars and has direct access to a fun 'bodega'.
