OVERVIEW

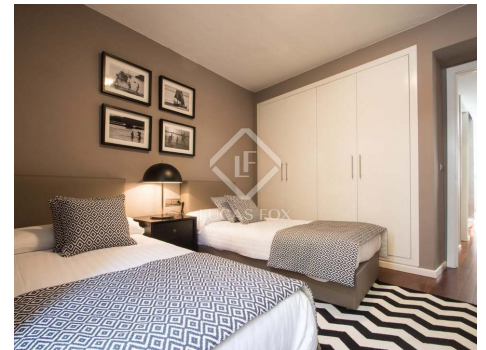

Luxury duplex penthouse with 40m² of terraces for sale on one of the most sought-after streets of Valencia

On one of the most sought-after streets in the San Francesc area of Valencia, we find this charming 180m² duplex with 2 terraces of approximately 28m² and 15m². The property is located on the 5th and 6th floors of an elegant building and enjoys plenty of natural light on both floors.

On the lower floor, a hallway takes us to the master bedroom with its dressing room and bathroom with sauna, a bedroom-study and 2 further bedrooms with a complete shared bathroom. The water boiler is in a room in the corridor.

On the upper floor we find an enormous, sunny living room - dining room with 2 terraces overlooking the inside and outside of the building.

The kitchen, located in a corner of the living room and a guest toilet, complete this floor.
