OVERVIEW

Brand new triplex penthouse with beautiful living spaces and terraces on every level, for sale in Retiro, Madrid.

This breathtaking apartment occupies the top 3 floors of a brand new building, refurbished to fit in perfectly with its historic surroundings in one of the most exclusive neighbourhoods in the Spanish capital.

This is a landmark of luxury and comfort with no-compromise fit and finish throughout, including common areas by contemporary artist Carlos Cruz-Diez.

This apartment is the crowning glory of the development, with beautiful living spaces and epic views from private terraces on every level, including a private pool on the 8th floor with a truly unique outlook over the city.

These fantastic outside spaces are perfect oases of calm from which to enjoy the city, relax and entertain, day or night, in the sunshine or tranquil shade. Meanwhile, large windows and a contemporary design with open spaces ensure that the sweeping interiors are flooded with natural light.

Of course, everything else about the property is designed for comfort and privilege, and in addition to their own unparalleled private space, residents also have access to the finest communal facilities including gardens, gym, spa and a pool, with plenty of parking and storage.

This is a one-of-a-kind property for the truly privileged, bringing the traditional feel and history of a grand, historic apartment up to date and safeguarding a new definition of luxury living for the future.
