### OVERVIEW

## Luxurious apartment on one of the best streets in Almagro. Located in a classic building and renovated to the highest standard.

This exquisitely finished apartment has undergone comprehensive refurbishment by a highly prestigious architectural studio and oozes luxury at every turn.

It is bright, spacious and set in a stately protected building in the heart of Madrid's highly sought-after Golden Triangle, with large windows that flood the space with natural light and a feature viewpoint overlooking the picturesque street.

The apartment layout is carefully considered and sweeps from the living spaces through to the master suite complete with dressing room and bathroom. There are two further bedroom suites and an office space with the best views.

Everywhere you look there are truly exceptional materials including stone, timber and beautiful glazing, and the soft tones provide a feeling of understated comfort and luxury.

The kitchen is a showpiece of design and functionality with pillars leading to the dining area and huge windows that let the light play across the surfaces. A separate laundry area is also accessed from the kitchen

This is a significant property that will make a perfect family home or an exceptional second residence.
