Excellent 4-bedroom penthouse with a 100 m² terrace for sale in El Viso, Madrid

Spectacular home located in the El Viso / Castellana area, with a top quality renovation and some of the most privileged views in Madrid. The property has an impressive terrace of 100 m².

We find this spectacular property in a privileged location in the area of Castellana / El Viso de Madrid.

This apartment was lovingly and carefully refurbished by the current owners, using top quality architectural materials and standards.

With a surface area of approximately 330 m² and a unique terrace of 100 m², the property offers many layout options.

The masterful play of light and volumes achieved by the architect make this a unique property on the market. The spaces are very well designed, allowing light to flow easily.

The Italian carpentry, the care taken over even the smallest detail, the impeccable condition of the floors, rooms and materials and the spectacular terrace (which offers one of the most privileged views of Madrid) are proof of the uniqueness of the product.

Other elements to consider are the state-of-the-art heating and air conditioning system, a well-equipped gym in the home, the hammam of the main bathroom or a first-rate home cinema system.

The building has a doorman and the property is being sold together with 2 parking spaces.
