Superbly renovated apartment in a classic building in Recoletos

Spectacular, newly renovated luxury apartment on the third floor of a magnificent building in Madrid.

This bright, generous third floor apartment offers urban luxury and style in a perfect location in the heart of Madrid just a few metres from the Retiro park.

Newly refurbished to an exceptional standard, this exterior apartment has 3.5m high ceilings and large windows to flood the rooms with natural light and make the most of being on a higher floor. There are also three balconies facing onto this quiet tree-lined street.

The interior design oozes comfort and elegance, with ceiling moldings, solid wood floors and warm tones. The layout includes a spacious hallway and impressive open living area leading through to a dining area and lovely kitchen with high end appliances.

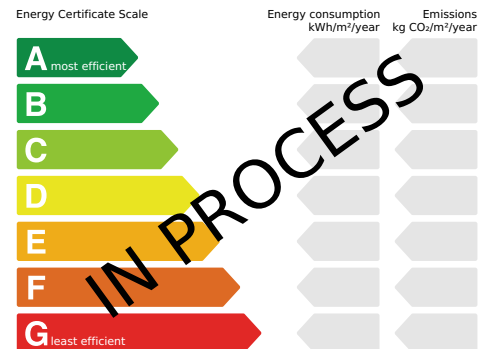

There are four excellent sized bedroom suites with closets, and the master suite includes a dressing room, its own living area and large windows that provide plenty of natural light and faces onto a courtyard.

This is a fabulous location to set up home in the most sought-after area of the Salamanca neighborhood, and being just around the corner from the Retiro park also provides excellent potential for investors.
