This new development is located in the heart of Chamberí, on Calle Santa Engracia, a few steps from the most emblematic points such as Plaza de Santa Bárbara, Plaza de Olavide or Calle Ponzano.

The project consists of the refurbishment of an impressive building with a classic façade from the early 20th century on the corner of Calle General Arrando. The building will include a gym, bike parking spaces, storage rooms and the latest advances in sustainability and home automation.

This property is located on the third floor and has great charm. The design of the spaces seeks spaciousness and light, and presents materials and finishes of the highest quality

Finally, it includes a bedroom with a balcony and a complete bathroom.
