OVERVIEW

Apartment in a classic building, renovated with the best quality materials and in the best area of Recoletos, just 50 metres from the Puerta de Alcalá.

Only 50 metres from the Puerta de Alcalá and the main entrance to El Retiro Park, we find this beautiful renovated apartment with the best quality finishes on the third floor of a classic Madrid building.

At the entrance, we find a closet and access to the master bedroom with a large dressing room and bathroom. In that same corridor, there is access to a landing which leads to two large bedrooms that share a spacious bathroom.

Returning to the hall, we pass a guest toilet to finally reach a large living room with beautiful views of a classic street in Madrid. This living room consists of a living area, a large table and an open kitchen that could be closed, it is very spacious and equipped with the necessary appliances, all of top quality. This area also offers a laundry room.

In short, it is a perfect mix between the best design and the most privileged area of Recoletos.
