OVERVIEW

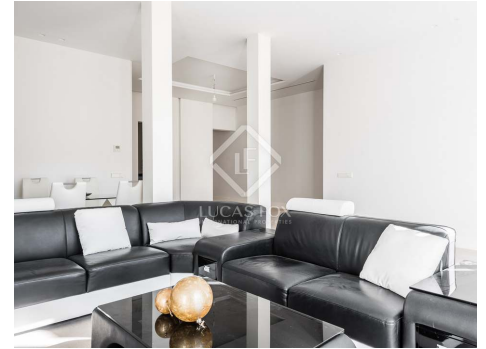

Fantastic 2-bedroom apartment with an excellent complete renovation in the Justicia neighbourhood, Madrid

Lucas Fox presents this splendid apartment in Justicia. It is a 2-bedroom property with 2 private bathrooms, with an equipped and furnished kitchen with great brands and an impressive living-dining room with 2 balconies overlooking the street. It offers a built area of 158 m² and ceilings of over three metres high. What's more, it receives plenty of natural light as it is located on a fourth floor.

The property was completely renovated three years ago. It stands out for its indirect ceiling and floor lighting, built-in wardrobes, natural stone floors and wooden shutters on the balconies.

The main bedroom is bright and has a private bathroom, jacuzzi and a large dressing room. The secondary bedroom also has a private bathroom with 2 different entrances so it can also serve as a guest bathroom. All windows are of excellent quality to avoid any external noise and maintain good thermal insulation. It also benefits from ducted hot / cold air conditioning throughout the home controlled by a digital thermostat.

The building has a lift and access for people with reduced mobility. Finally, it has a concierge service with a concierge who lives in the same building.
