Excellent newly renovated apartment for sale on Calle General Pardiñas, Madrid

Very bright apartment with 3 bedrooms and 2 bathrooms, completely renovated, on a top floor of a modern building with a concierge service and a lift.

This magnificent apartment provides incredible light and is newly renovated. It is a fifth floor property with six windows overlooking the street.

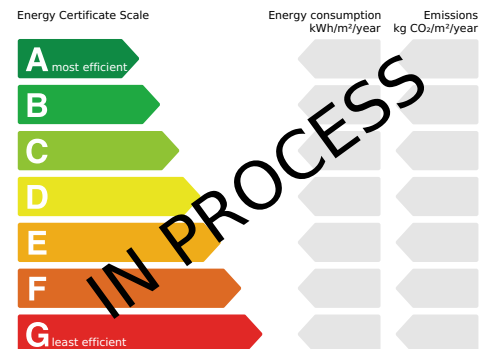

The property is accessed via a spacious hall, with several closets on the left and a bedroom with a private bathroom on the right. The hall opens up to the large exterior-facing living room with five windows. The open kitchen is located at the back of the living room, although it would be easy to separate it if desired. In addition, there is a large bathroom that serves the other two bedrooms, one of which overlooks the street.

The apartment is located in a 1970s building, with a concierge service, two lifts and in one of the quietest streets in the area.
