Wonderful renovated apartment with high quality finishes for sale in the prestigious Recoletos neighbourhood, Madrid

Beautiful 3-bedroom apartment, with an excellent brand new renovation for sale in a stately building in the Salamanca district, within the prestigious Recoletos area.

This magnificent bright home is located on the second floor of a beautiful classic building, built in 1928 and with a double entrance door. The building is located in the prestigious Recoletos neighbourhood, within the Salamanca district, which is considered one of the most sought-after locations in Madrid.

The property has oak floors and high ceilings and offers two balconies plus a gallery. The apartment has a built area of 197 m², distributed between the living-dining room, three bedrooms with a private bathroom, a guest toilet, a kitchen with an island and a laundry area.

From the entrance there is access to the large rectangular living-dining room with beautiful views of the trees. From there, we find the modern kitchen, with quality furniture and equipped with top brand appliances, including an oven, microwave and column wine fridge. In addition, there is a laundry area with washer and dryer.

A small hallway leads to the three double bedrooms, each with its private bathroom and large fitted wardrobes.

In addition to the three private bathrooms, the apartment has a guest toilet.

It is an ideal home to reside in all year round or as a second residence. Both its unbeatable location in one of the most attractive neighbourhoods in the centre of Madrid, near the Golden Mile, and its excellent renovation, carried out with high quality finishes, make this property a very desirable home.
