OVERVIEW

3-bedroom penthouse with terrace in a new building with pool, gym, garage and storage room.

This magnificent penthouse is located in a new development, in a building with a spectacular façade, east-west orientation to guarantee the best views, abundant light and an excellent energy efficiency certification.

The common spaces of the development have been designed to house exclusive services for the enjoyment of the owners in the heart of the city. The crowning jewel of the building is its roof terrace and pool, a privilege available to very few in the centre of Madrid and the best place from which to enjoy its incredible views in complete serenity.

The penthouse is located on the sixth floor of the building. Upon entering the house, there is a separate kitchen on the right and the living-dining room on the left, next to the master bedroom, with dressing room, private bathroom and access to a balcony of almost 2 m².

A hall leads us to two bedrooms that share a bathroom, a utility room and a staircase that gives access to the seventh floor where we enjoy a spacious terrace of more than 40 m².

The apartment includes two parking spaces and a storage room.
