Recently renovated 3-bedroom apartment for sale in the Castellana neighbourhood of Madrid

Great apartment in excellent condition covering a built area of 193 m², on a very bright eighth floor, for sale in the Castellana neighbourhood, Madrid.

This bright property is completely renovated and brand new, with a high quality renovation and great attention down to the smallest detail. It is located in a 1970s building with a concierge service.

As we enter, a large hall separates the day area from the night area. The night area consists of three bedrooms with their respective private bathrooms and a guest toilet.

In the day area there is the kitchen, fully equipped with Siemens appliances and furnished with a Silestone worktop, which opens onto the large living room with an area of approximately 50 m².

This excellent apartment has been renovated to high standards, as can be seen, for example, in its floors, Pergo brand flooring. The heating system is central and has ventilation ducts in the ceiling in all rooms.

Being west facing and on the eighth floor, the apartment is very bright.
