OVERVIEW

Bright apartment of 152 m² with a large living room-kitchen of about 60 m² and 3 double bedrooms on the fifth floor of a beautiful classic stately building near the Chamberí market and very well connected to everything.

This completely renovated property with excellent quality finishes is located on the fifth floor of a well-kept classic building with concierge and a wide entrance suitable for people with reduced mobility. It has 4 windows overlooking the street that let in a lot of light. From the entrance, we reach a small hall with a built-in wardrobe that leads to the large living-dining room with an open kitchen and an island. The living room is very spacious and bright and has nice unobstructed views.

Its decor, including an exposed brick wall painted in white, is very attractive. The kitchen is fully furnished and equipped with brand-name appliances, including refrigerator, ceramic hob, extractor hood, tower oven and microwave, dishwasher, washing machine and dryer.

There is very few corridors, so the space is very well used. From the hall we reach a toilet with a sliding glass door that camouflages the entrance and enhances the feeling of space. The three bedrooms are double and have fitted wardrobes. The master bedroom has an en-suite bathroom. The other two bedrooms share a bathroom that is in the middle of the two.
