OVERVIEW

160 m² apartment to renovate with unobstructed views for sale in the Almagro neighbourhood, Madrid.

Lucas Fox presents this magnificent home in the Almagro neighbourhood, in one of the most emblematic streets of the city for its architecture and for the classic buildings it houses, such as the farm where this apartment is located.

The most striking thing about this house is that since it is located on the highest floor of the building, it offers spectacular and unobstructed views of a beautiful protected convent from the balcony at the foot of the living room.

In the interior part, the kitchen is arranged with a pleasant gallery that allows the entry of abundant natural light on this side of the home. In this part of the apartment, there is also a fairly large night area, with the option of 2 or 3 bedrooms.

Please contact us in order to visit this apartment and see if its potential for renovation meets your needs.
