OVERVIEW

Renovated apartment with high quality finishes and excellent layout with 4 bedrooms and 3 bathrooms for sale in the Goya neighbourhood, Madrid.

Lucas Fox Madrid presents this spectacular and spacious home on the second floor of a 1920 building in the Salamanca district, in the Goya district.

The apartment of 157 m² is completely renovated with excellent quality finishes and a good layout. In the first place, it presents a spacious open living-dining room, full of natural light thanks to its two balconies facing the street, joined by a small terrace where you can place a table to read while having a coffee. On the other side of the entrance, there is a fully equipped kitchen diner, which can be closed with a sliding door or left semi-open with the day area.

Next, a hall directs us to the night area, with a complete bathroom, 2 single bedrooms, one of them with a private bathroom and the master bedroom with a dressing room and a private bathroom. At the end of the hall, a double bedroom completes this wonderful home.

Due to its layout and location, this home is perfect for a family or for a person who wants a spacious home in the city centre.
