OVERVIEW

Newly renovated 3-bedroom apartment with private bathrooms for sale in the Philippine Islands area, Madrid.

Lucas Fox presents for sale this beautiful, completely renovated house located in a building from the 1950s, with a classic entrance to the portal with moldings, stained glass windows and a beautiful cage elevator.

The house has an area of 195 m² built. It consists of a living-dining room with an open kitchen, three bedrooms with two private bathrooms, plus a courtesy toilet.

As soon as we enter the house, we find a large entrance hall with a gabanero wardrobe. The master bedroom is located to the right, it is quite spacious and has a dressing room for four bodies and a large private bathroom. The corridor includes decorative moldings with different direct and indirect lighting formats and backlit shelves. Bedrooms two and three both have a full bathroom and spacious fitted wardrobes with a large storage capacity. At the end of the route, we would arrive at the day area of the house, with its spacious living-dining room with an open kitchen, which with its high-end appliances gains prominence. Finally, there is a courtesy bathroom that serves the guests. Three large windows distributed in the living room offer plenty of light to the most social part of the house.

The house also has hot/cold air conditioning through ducts throughout the house. The low-consumption natural gas boiler offers clean and safe heating in all rooms. It should be noted that in the same building, a 10 m² storage room with a window belongs to the apartment.

To take care of all the common areas and the neighbours' needs, there is a concierge during office hours.
