OVERVIEW

Magnificent renovated exterior apartment with direct views of the Parque del Oeste for sale exclusively with Lucas Fox on Paseo de Moret, Moncloa.

Lucas Fox presents this renovated exterior apartment for sale in an exclusive area of Moncloa, Madrid.

Upon entering, we find a spectacular living room of about 75 m² with an integrated kitchen with an island that can be closed off at any time with sliding doors. It receives abundant natural light thanks to its large windows, with the possibility of opening two terraces, one of them with direct views of the Parque del Oeste.

Next, there is a guest toilet that leads to the corridor where the four bedrooms are located. The first of them has its own dressing room and private bathroom and has another entrance from the living room. The next two bedrooms are connected. Therefore, they could easily be joined together to form a single bedroom of considerable size. And, at the end of the corridor, there is the huge main bedroom with a private bathroom and numerous built-in wardrobes. Finally, the apartment has a laundry room with a service door that gives access to the secondary staircase, which has two lifts.

This property was renovated a year ago with top quality materials. PVC windows with triple glazing with acoustic insulation were included, natural oak floor except for the utility room and other wet areas such as the bathrooms, Santos kitchen and Bosch appliances, built-in shelving, LED lights, individual central heating, Air Zone Cloud ducted cooling system and heating pump with access in all rooms, fitted wardrobes and Wi-Fi signal extension.

The property is located in a 1960s building with a stately entrance, situated right in front of the Parque del Oeste, with a resident concierge and private parking space included in the price.
