OVERVIEW

Stunning newly renovated 4-bedroom exterior apartment with parking space for sale in Almagro, Madrid.

Lucas Fox presents for sale this impressive 383 m² exterior apartment on a second exterior floor, in the prestigious Almagro neighbourhood, in one of the most exclusive and famous areas of the capital.

The property is completely new and renovated, with the highest quality standards, details and materials. It is distributed in a living-dining room with four areas and large windows that allow the entry of abundant natural light. The kitchen is semi-open and has a central island.

It features an elegant and refined design. All the wardrobes are custom-made and the high-end appliances are integrated. The night area consists of four double bedrooms with their respective private bathrooms and custom-made built-in wardrobes.

The property has heating, wooden floors, an aerothermics air conditioning system and a home automation system to control the air conditioning, lights, blinds and piped music, among others. Although the property is in the process of renovation, we highlight the height of its ceilings and the exquisite interior design that can be seen in every detail and corner.

It is located in a building with well-kept communal areas, with a concierge and elevator service, as well as a double parking space.

This is a magnificent renovated property, furnished and decorated with a distinguished design in one of the most prestigious areas of the capital.
