OVERVIEW

Spectacular 175 m² apartment, completely renovated with high-quality materials, featuring a modern design, excellent layout, and abundant natural light, for sale in a classic building in Palacio, Madrid.

This elegant 175 m² apartment is located in a classic building in the Palacio neighbourhood, one of Madrid's most desirable areas. Thanks to its orientation and large windows, the property receives abundant natural light.

It has been completely renovated with high-quality finishes, with a design that combines the original architecture with a contemporary and functional style. During the renovation, original elements such as moldings and high ceilings were preserved, and natural wood floors, recessed lighting, and top-quality woodwork were added. The property has been designed to offer functional and well-distributed spaces, maximizing comfort and a sense of spaciousness.

Upon entering the property, we find an entrance hall that leads to the open-plan living-dining room, with large windows that provide natural light throughout the day. The open kitchen, with a central island, blends perfectly into this space and is fully equipped with high-end appliances.

In the bedroom area, the apartment has three bedrooms, all with private bathroom. The main bedroom stands out for its spaciousness and separate dressing room. The other two bedrooms also have built-in wardrobes and high-quality finishes.
