OVERVIEW

Former convent, converted into a unique and luxurious loft-style property with double height ceilings, high-end materials and beautiful interior design. Perfectly located in the centre of Justicia.

This unique loft property was formerly a convent and is found in the Justicia area. It is on the first floor of a recently renovated building dating back to the 1800's with a beautiful entrance with historic features and without a lift, in a very peaceful place although is in the centre of Madrid. The building has charming views of the communal interior garden and patio with trees and ivy covering the walls.

We enter the property on the first floor (80 square metres) and a little hall leads us past a complete bathroom and into the main open plan living, dining and kitchen area with its impressive double height ceilings and fireplace.

At the end of the stairs we find a double bedroom with a walk-in wardrobe. The upper floor (53 square metres), with views of the floor below, offers an open space which is used as a TV room and an en-suite bedroom.

Excellent materials and stylish finishes features throughout, making this an ideal home for a discerning client looking for something special. It would also prove to be a profitable short or long-term rental investment given its size, features and location.
