Magnificent detached 5-bedroom villa with private pool for sale in Valdemorillo, Madrid

Exceptional detached villa of 380 m² with magnificent views of Madrid on a large, already consolidated plot of 1600 m² for sale in a privileged area within the development with 24-hour security in Valdemorillo.

Lucas Fox is pleased to present this magnificent five-bedroom house, located northwest of Madrid, in the Valdemorillo district, just 25 minutes from the capital, in a quiet area.

The property is in good condition. It boasts a perfect southwest orientation with large windows and offers unobstructed views of the residential area of Villafranca del Castillo. Furthermore, it is notable for its abundant natural light in every room.

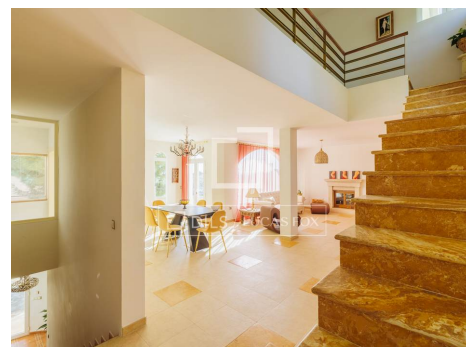

The villa is distributed over three floors. On the main floor, there is a spacious entrance hall that leads to all the rooms on this floor. To the left, there is a large living-dining room with large windows overlooking Madrid and a fireplace that adds great comfort to the room. From the living room, there is access to a 40 m² terrace overlooking the garden and the private pool. To the right, there is a guest toilet and a large kitchen with a separate entrance, fully equipped with a breakfast area and access to the laundry area and the terrace.

We access the first floor via a bright staircase that leads to a spacious hall with a large window that floods the space with natural light. On this floor, we find the bedroom area with two large bedrooms, each with private bathroom. The main bedroom comprises a spacious and comfortable dressing room, a large en-private bathroom, and access to a large terrace overlooking the beautiful and inviting garden.

On the lower ground floor, we find a large living room, ideal for summer as it has direct access to the porch and the pool, as well as an study area, and two bedrooms with a full bathroom.

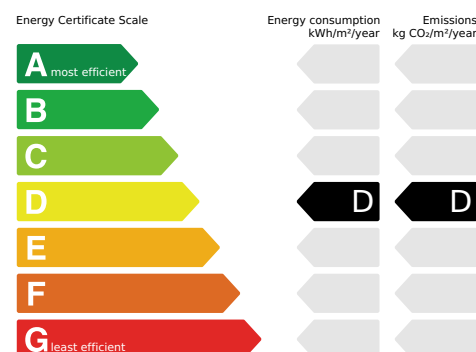

The parking area is very spacious with room for four cars in the covered area and a few more without a roof.

It is worth highlighting the quality of the materials in this property, which includes underfloor heating, a reinforced teak wood entrance door, limestone and Spanish stoneware floors, a main staircase made of Travertine Gold marble, automated security aluminum blinds, and a central vacuum system.
